## CHLOE BOYLE ASIS NYC SCHOLARSHIP

Chloe Boyle, daughter of ASIS NYC Chapter member Tom Boyle and his wife Erina, was a vibrant 17-year old High School Graduate who lived life fully and loved her friends deeply. She approached every day like an adventure – laughing with friends, singing Taylor Swift songs on road trips, in her room, and just about anywhere else. She lit up every room with her energy. Chloe's love of drama - both on stage and in life, her loyal friendships, and her joyful spirit inspired everyone who knew her. Chloe had a deep passion and love for animals.

In July of 2024, while working a summer job in upstate NY, Chloe experienced a blood vessel rupture in her brain from an undiagnosed issue and passed away, devastating her family.

In her honor, this scholarship celebrates students who share Chloe's passion for life and caring heart. We want to support high school seniors who, like Chloe, embrace each moment with enthusiasm and kindness.

### SCHOLARSHIP PURPOSE

**This scholarship celebrates Chloe's legacy by encouraging students to live boldly and uplift others.** We believe that true achievement comes from living with heart, creativity, and connection—not just from grades. The award will be given to a senior who best reflects Chloe's zest for life and the importance she placed on friendship. Through this scholarship, we hope to inspire young people to pursue their dreams with joy and to value the deep bonds they create with others.

### WHO SHOULD APPLY

This award is open to family members of registered ASIS members who are graduating high school seniors and embody the qualities Chloe valued most:

- **Enthusiastic and Creative:** You embrace life with passion – whether through music, art, drama, sports, travel, or simply trying new things. (Extra points if you're a Swiftie who sings to your favorite songs!)
- **Loyal Friend:** You build and cherish deep friendships. You include others, listen, encourage, and stand by your friends in both fun times and tough times.
- **Positive Influence:** You bring joy to those around you. This could be through kindness, humor, volunteering, leadership, or any way you make people smile and feel supported.
- **Open to All Backgrounds:** We welcome students of all academic interests and abilities. There is no minimum GPA or test score requirement – we care most about your character and story.

If you are someone who lives with energy, puts your friends first, and lights up the world around you, we encourage you to apply.

### HOW TO APPLY

We want to hear your story and see your spirit. Please include the following in your application:

- **Personal Essay (250–500 words):** Tell us about yourself! Describe a time when you embraced life fully or made a positive difference for a friend or community. Share what you are passionate about and how you live out those passions.

Please submit your application by the stated deadline. Make sure your essay and any additional materials reflect how you bring Chloe's spirit of joy and friendship to life.

### CELEBRATING CHLOE'S SPIRIT

We are excited to honor Chloe's memory by finding a student who shares her love of life and friends. If you spend your days seeking new adventures, cheering on your friends, and spreading happiness, then Chloe's spirit lives in you. We look forward to reading about the ways you make the world brighter – just like she did.

Thank you for applying, and for celebrating a life well-lived. Together, let's continue Chloe's legacy of friendship, creativity, and joy.
